

BOOKS AND SOFTWARE

Skin Care Consultants

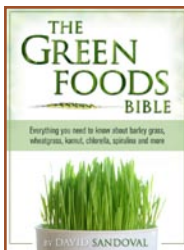

Nutrition: The Healthy Aging Solution by Pat Lam, CIDESCO Examiner, Board Certified Anti-aging Health Practitioner, was given an excellent four-page book review by the Chief Editor of the *Journal of Applied Cosmetology* and highly recommended for all health care professionals and aestheticians. Written specifically for the aesthetic school curriculum, comprehensive skin and body analysis are described together with nutritional, fitness, and lifestyle management coaching. For more information, please call 877-694-9777, or visit www.lamskin.com.

Diamond Way Ayurveda

Tibetan Ayurvedic tradition teaches that only five of the seven chakras of the body can be truly treated. And, this set, produced by Diamond Way Ayurveda, includes five semi-precious stones (howlite, red jasper, lapis lazuli, yellow jasper, and malachite) to do just that. Each set comes with chakra massage oils, a lapis lazuli massage egg, a natural crystal pendulum, guided visualization CD, all in a lotus-carved recycled teak box from Bali. Elegant and effective, this set comes with instructions. For more information, please call 866-303-3321, or visit www.diamondwayayurveda.com.

Platinum Health Products

The Green Foods Bible by David Sandoval is comprehensive- it covers each and every edible green food, from grasses to algae to both sea and land vegetables. This book helps to fulfill Sandoval's dream to educate the world that they do not have to suffer unnecessarily. It is the first to focus on the scientific validation showing green foods heal the body. Learn the Evolution of Green Food; How Chlorophyll could save the world and much, much more. For more information, please call 800-452-6884, or visit www.phporder.com.

Mack Software

This cutting edge technology will automatically build your clientele through reward and incentive programs and is the greatest innovation in spa software. With this proven module, marketing happens every day all by itself. For more information, please call 888-260-8181, or visit www.salonspaware.com.

Dr. Pugliese

Dr. Peter Pugliese has given aestheticians the gift of true knowledge, with intricately illustrated chapters on anatomy, physiology, and biochemistry that bring the skin to life. The book includes timeless information on ingredients, pre- and post-op care, chemical peeling, botanicals, and much more, and is fully referenced with an extensive glossary. Without regard for brands or politics, this book is becoming the industry standard in professional skin care, and is already a favorite of educators domestically and abroad. For more information, please call 877-478-4263, or visit www.drpuugliesestore.com.
